

## Let's Imagine: Cross the Room

Spark your child's imagination with this fun activity! Start on one side of your yard or a room with space to move. Imagine how you might move from one side to the other if the floor were hot sand. *Would you move quickly so you wouldn't burn your feet? Would you only step with your toes? What sounds might you make?*

Imagine the floor is...

- Cold Tile
- Pudding
- Soft Clouds
- Full of Puddles
- Covered in Bubble Gum
- Hot Lava
- Deep Water
- On the Moon
- Muddy and Messy
- Creaky Floorboards
